

GreenBedZ

GreenBedZ is an 'easy to use' 'carbon neutral' accommodation option when booking bedrooms for B2B and Associations events including Congress and Symposia.

A win win sustainable solution for accommodation bookings

- Book a **Green Bed**
- See **Carbon Cost of the stay**
- **Carbon-neutral hotel stay**
- **Carbon cost statements**
- **Contribute to sustainability credentials**
- **Feed data into ESG policies**

01

The MICE Concierge Team calculates the Carbon Measure for each room-night booked for your event

02

The Carbon Cost is totalled and a statement provided to the attendee or organiser

03

The Carbon Cost can then be offset with a payment to a verified carbon offset project of your choice
